# Dennis Liber

Dennis Liber is a Greek-Turkish DJ and music producer, born in Switzerland, raised in Greece, and now based in Tulum, Mexico. His journey began with a passion for analog synthesizers and drum machines, delving deep into the sounds of UK, Acid, Detroit, and Chicago house. Inspired by his uncle, Jamie Lewis, a true house music pioneer, Dennis developed a passion for creating and spinning tracks that blend exotic disco and Balearic influences.

In February 2025, Dennis Liber released his debut EP, *Club Eden*, on 12" vinyl through Detroit's Rocksteady Disco record label. In March 2025, Dennis returned with a second EP release, *Tropic State*, a collaborative project with artist Lex Athens on the New York Turntables on the Hudson label. Prior to these releases, Dennis debuted his track, "Baila Exotica" in December 2024, featured on the *Razor-N-Tape Family Affair Compilation* from the Brooklyn-based label. Earlier in January 2024, Dennis released the digital single "No Time for Formalities," which was featured in the 12" EP *Without You* by Lex (Athens) on Delusions of Grandeur.

## PERFORMANCE AND COLLABORATIONS:

Previously, as part of the duo *The Message* with Dario Rosa, Dennis released music on Lumberjacks in Hell, Bonfido Disques, and Furious Mandrills. These collaborations showcased their unique blend of deep house and disco influences.

Since 2018, Dennis has maintained a consistent presence in the club scene, playing at iconic venues such as Pikes (Ibiza), Papaya Playa Project (Tulum), and Departamento (CDMX). His sound flows seamlessly across genres—from disco, Balearic, tropical, and Afrobeats to funk, cosmic, Italo Disco, Detroit, Chicago, soulful, Afro, and classic house. Through his thoughtful selections, Dennis creates an immersive experience that fosters rising energy, expression, and community on the dance floor.

In 2022, Dennis partnered with Irving Diptera of *Fruity*, the creative force behind Tulum's vibrant queer scene, to co-create *Club Eden*, a monthly event focused on delivering quality dance music and attracting internationally recognized artists. The event has featured talents such as Tigerbalm (UK), Captain Planet (US), Hotmood, Peter Croce (US), Nicodemus (US), and more.
