About Gaio

Vinyl DJ, musician, and music journalist from Mexico City.

In 2017, he founded **Indie Sónico**, an independent media platform focused on alternative music, now established as one of the most credible and influential music blogs in Latin America.

As a DJ, he explores the classic sound of **House**, blending elements of **Soul**, **Jazz**, and **Disco** to create an elegant, warm, and immersive atmosphere.

As a **selector**, he brings back forgotten **grooves from the world**, with an emphasis on Brazilian music, classic funk, and African disco.

solo baila

Created by **Gaio** and **Daniel Zumárraga**

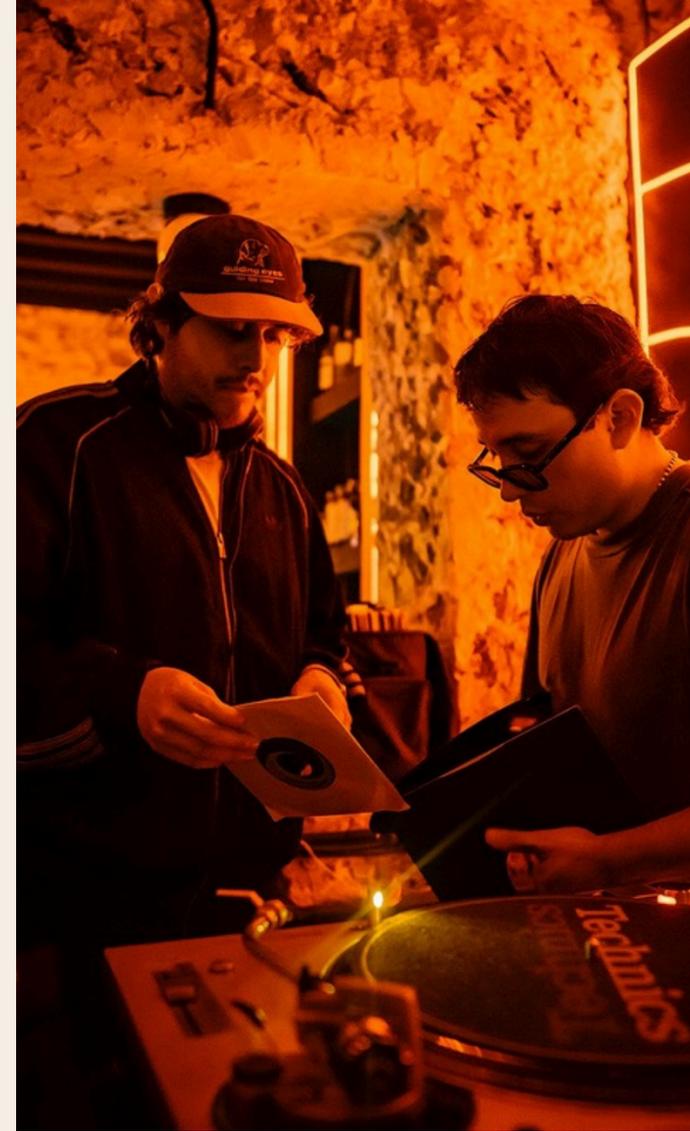

Solo Baila is a party, an event production company, and upcoming record label focused on reviving Latin music that has been lost over time, giving it new life through analog reissues.

As **DJs**, they blend funk, soul, disco and all-time classics

Solo Baila has taken place in cities such as Mexico City, Buenos Aires, Mazatlan, Guadalajara, Mérida, and Puebla.
